

MUHAMMAD ALARICK IRHAM

m.alarjckirham@apps.ipb.ac.id | +62 813 8045 3616

PROFESSIONAL OBJECTIVE

Computer Science undergraduate with a passion for creative media, visual storytelling, and digital content creation. Detail-oriented, adaptable, and able to work effectively in collaborative environments while delivering high-quality results under tight deadlines. Eager to contribute creativity, technical skills, and a strong sense of responsibility to support the success of the event.

TECHNICAL SKILLS

Graphic & Visual Design, Video Editing & Post-Production, Motion Graphics & Animation, Music Arrangement, Music Composition.

EXPERIENCE

Creative Division Staff ACRA 2026 – MAX!! IPB UNIVERSITY

April 2026 – Present

- Produced and edited promotional content, including Instagram Reels, feed posts, teasers, and event trailers to enhance audience engagement.
- Collaborated with the creative team to deliver high-quality visual content aligned with the event's branding and communication goals.
- Assisted fellow team members by sharing video editing techniques, workflows, and creative feedback to improve overall content quality.

Creative Division Staff CDM CMT 2024 – Nurul Fikri Boarding School Lembang

August 2023 - March 2024

- Visualized the event's identity through engaging Instagram promotional content and feed designs.
- Captured the event's story by editing the official aftermovie and behind-the-scenes content.
- Brought the ceremonies to life by creating animated opening and closing bumpers for the event.
